PREFACE

THE PUBLISHERS, in presenting their Seventeenth Edition of the CITY OF GUELPH DIRECTORY, beg to thank the people for the liberal support they have received.

It is hoped that the new Directory will meet with the same favor and stand the test of time, as every means has been taken to render it accurate and up-to-date in every detail known to progressive Directory Publishers. The work will be published by them every year, and they hope merchants and business men generally who want the very best will reserve their orders till they see them.

HENRY VERNON & SON,

Publishers and Compilers,

September, 1917.
